WHAT DOES GETTING INVOLVED IN DISTRICT SERVICE LOOK LIKE?*

HERE IS ARE DESCRIPTIONS AND SHARES FROM MEMBERS CURRENTLY SERVING AS:

DISTRICT REPRESENTATIVE-

The District Representative is elected by the voting Group Representatives within the District. The DR chairs the District meetings for Group Representatives, represents the Groups of the District at Area World Service (AWSC) meetings and communicates information to and from the Area Assembly of Al-Anon family groups and World Service Office. The DR serves as an information source and resource for the groups. The DR position is traditionally held by a current or former Group Representative. Service as the DR for District 30 has complimented by recovery and inspired me to study the the Legacies further to serve our groups and the District as a whole. in my experience, it is a committment that requires at least 2 hours of service work in addition to your own personal program work.

PHONE SERVICE COORDINATOR

Phone service is an integral part of Alanon outreach. Groups in District 30 (currently 15 participating groups) rotate this important service on a weekly basis by being available to respond to the Alanon helpline. Individual group members choose a day to serve –

checking 3 or so times on any given day to listen for any messages that may have been left. An important thing to remember is that, should you return a call, you are not giving

advice but rather lending a compassionate ear and directing them to the Alanon website www.al-anon-ocny.info.

As Phone Service Coordinator it is my job to create and distribute the schedule and send a reminder to the group's GR at least a week before their service. Phone service is a great way to help support the various arms of Alanon outreach.
